INFRASTRUCTURE VIETNAM Conference & Accompanying Programs

This is the leading commentary and inside track to Vietnam's infrastructure updates. These Conferences, Technical Presentations and Product Workshops will add value to your knowledge when you visit ConBuild Vietnam 2011. Receive an informative update on all the latest in industry offerings and make profitable exchanges through the dynamic accompanying programs available. The industry's annual gathering and this knowledge sharing

experience will take place on Thursday 8th December and Friday 9th December alongside ConBuild Vietnam to give you a further advantage to your visit.

Register online for these world class programs to gain the information needed to sustain and grow your business in Vietnam.

Concurrent Event

Electricity & Lighting

Vietnam 2011

Dynamic Power Point • World-class trading platform for energy industry players

Electricity & Lighting Vietnam 2011, International Trade Fair for Electricity and Lighting in Vietnam will be held in close collaboration with ConBuild Vietnam 2011, to benefit from the enhanced business connectivity and synergies from exhibitors and trade visitors. The show is aimed to attract energy suppliers, investors, specialist construction companies, suppliers of energy-related products and services and industry professionals. The show will give international companies access at senior level to the key players in Vietnam's electricity sector. Both ConBuild Vietnam 2011 and Electricity & Lighting Vietnam 2011 are organized by MMI Asia Pte Ltd, as part of its uniquely tailored Infrastructure Initiative, through which it develops world-class trade fairs and conferences for the emerging markets of Southeast Asia.

Partnerships forged at ConBuild Vietnam and Electricity & Lighting Vietnam would be fuelling the growth of the country's infrastructure and power industries.
