CONSTRUCT & BUILD with the BEST in VIETNAM

Vietnam's leading trade fair and exhibition platform for Building and Construction returns in 2011. ConBuild Vietnam, International Trade Fair for Construction, Building – Machinery, Equipment, Materials, Vehicles, Technology & Services, and now INCLUDING MINING, will bring to you the BIG names in the industry.

ConBuild Vietnam is an internationally accredited showcase and market forum that offers participants countless opportunities and solutions. MMI works at the highest level to benefit both exhibitors and visitors.

Why is ConBuild Vietnam your benchmark trade event?

- Organized in close co-operation with the Vietnam Ministry of Construction, endorsed by other ministries, most directly involved in infrastructure development, and supported by relevant industry associations in Vietnam
- Excellent platform for building relationships with international partners
- Attracts key manufacturers and suppliers from around the world year in and year out
- Brings together in one venue prominent and leading industry experts to share their insights
- Empowered by industry from all across Vietnam
- Relevant / International / Comprehensive / Informative
- Comprehensive range of Indoor & Outdoor exhibits, state-of-the-art technologies, innovations, strategies and business opportunities
- Benefit from parallel Conferences and Technical Presentations providing the latest technological information industry and updates
- Choice platform for investors / distributors seeking representation and for the international community to keep abreast of what's at the forefront.
