

VND 110 billion to upgrade rural infrastructure

Apr 13, 2009

VNBusinessNews.com - The Asian Development Bank (ADB) and the French Development Agency (AFD) have granted US\$7 million (equivalent VND 110 billion) to build infrastructure facilities in Kon Plong, Tu Mo Rong and Ngoc Hoi districts of Kon Tum province (Central Highlands), according to the Management Board of the Integrated Rural Development Project in the Central Provinces.

Accordingly, a 41km rural road and Lac Bong irrigation works will be built in Ngoc Yeu commune, Tu Mo Rong district.

The project is scheduled to start in the fourth quarter of 2009.
