

Hanoi approves Nhat Tan Bridge-Noi Bai ring road project

May 8, 2009

VNBusinessNews.com - Hanoi People's Committee has approved the landmark of the ring road from Nhat Tan bridge to Noi Bai international airport, that is 80-100 metres wide.

The road, starting from Nam Hong crossroad to Noi Bai is divided into 2 sections. Section 1 begins from Nam Hong crossroad, Dong Anh district to National Highway 2, Soc Son district with the road width of 100 metres. Section 2 starts from Thai Phu residence quarter, Mai Dinh commune, Soc Son district to Noi Bai International airport, with the road width of 80 metres.

The 85 Project Management Board under Ministry of Transportation was assigned to set up the landmarks and transferring the management work to local authorities
